

Get Nordlux's videos onto your product pages. Automatically.

Syncle's free Quick Connect service automatically connects Nordlux's latest videos to your product pages. All you need to do is add a short JavaScript tag to your product page template.

Here's how to get started

- 1 Get in touch with sales@syncle.com
- 2 Book a short 20-minute Syncle walk-through
- 3 Follow the easy instructions provided by the Syncle team

Join the 400+ retailers already connecting thousands of product videos to their online stores.

Connect product videos at scale

Syncle helps you connect thousands of brand and user-generated videos (reviews, unboxings, and more) to your product pages automatically. Quick Connect is a free service. To learn more about our full platform, [book a demo](#) to find out how many videos we could find for your store.

“With Syncle our customers get a much better view of the product and it's easier for our customers to make a decision of whether to purchase or not.”

Henrik Wilnersson
Marketing Manager, Outnorth.com
